

Draw the flag of your country/region/city of origin
and stick it on the map in the appropriate place (country/region/city)

There will be clean white flags at the disposal of the participants, on which
with crayons you should draw the colors of the country/region/city (alternatively).

Once drawn, the flag should be placed on the world map at the place of the country/region/city.

There will be no prizes, but participants will be offered a sweet treat (chocolate sweets).
