RECTOR'S REGULATION No. 95/2026

of the Rector of the Wrocław University of Economics and Business

dated 23 June 2026

on the Introduction of the System for the Assessment, Monitoring, and Improvement of
Learning Outcomes at the Wrocław University of Economics and Business

Pursuant to Article 23(1) and (2) of the Act of 20 July 2018 – Law on Higher Education and Science (consolidated text: Journal of Laws of 2024, item 1571, as amended), in conjunction with § 11 of the Statute of the Wrocław University of Economics and Business, I hereby issue the following:

§ 1

A system for monitoring, assessing, and improving learning outcomes (Assurance of Learning), hereinafter referred to as the “AoL system,” constituting an Appendix to this Regulation, is hereby introduced at the Wrocław University of Economics and Business, hereinafter referred to as WUEB.

The AoL system constitutes an element of the Internal Quality Assurance System for Education, hereinafter referred to as the IQAS, at WUEB and is intended to assess the achievement of key competencies defined for graduates at the degree program level and to use the results of this assessment to improve the educational process, including degree programs.

§ 2

The objectives of the AoL system shall include, in particular:

- monitoring the achievement of key competencies defined for graduates at the degree program level;
- assessing degree programs with regard to the achievement of competencies defined for graduates;

- identifying components of degree programs that require improvement within the educational process;
- supporting quality enhancement activities concerning degree programs, including, among others, teaching methods and methods for verifying learning outcomes;
- supporting the development of a culture of quality in education at WUEB;
- ensuring that WUEB's activities in the area of quality of education comply with national and international quality standards, including the accreditation standards of the Association to Advance Collegiate Schools of Business (AACSB).

§ 3

The AoL system is consistent with the principle of continuous improvement in the quality of education and operates on a cyclical basis.

The Vice-Rector for Student Affairs and Academic Programs shall oversee the operation of the AoL system.

Activities related to the operation of the AoL system shall be coordinated by the Dean for Education, in consultation with the Rector's Representative for Quality Assurance in Education, with the support of the Rector's Committee for AoL.

The following shall be involved, in particular, in the implementation of the AoL system:

- Program Managers;
- Field of Study Boards;
- academic staff teaching classes;
- other organizational units and entities involved in the quality assurance process in education, or other units designated by the Vice-Rector for Student Affairs and Academic Programs, the Dean for Education, or the Rector's Representative for Quality Assurance in Education.

§ 4

Academic staff teaching classes within specific courses included in degree programs shall be required to assess students' competencies using rubrics, in accordance with the rules and schedule established within the AoL system.

The obligation referred to above shall include, in particular:

- applying the assigned competency assessment rubrics to designated learning activities;
- assessing students' achievement of competencies in accordance with the established criteria;
- entering the assessment results, within the prescribed deadline, into the system designated by WUEB.

The list of classes delivered within courses included in degree programs that, in a given academic year, are subject to the assessment of competencies defined for graduates under the AoL system, together with the specified timeframe for conducting the assessment, shall be determined by the Vice-Rector for Student Affairs and Academic Programs, upon the request of the Rector's Committee for AoL.

§ 5

This Regulation shall enter into force on the date of its signature.

Rector

Professor Czesław Zajac
